

**FLOTEL JUNGLE DISCOVERY
PACAYA SAMIRIA RESERVE
AMAZON RIVER – MARANON RIVER – UCAYALI RIVER
08 DAYS / 07 NIGHTS**

Program: JD 06

Itinerary: Sunday to Sunday

DAY 1 (SUNDAY): IQUITOS – NAUTA

Reception and city tour of the historical sites from the rubber time in Iquitos. Transfer of 1 ½ hours by bus to Nauta where we board the “Jungle Discovery”. 4:00 PM Departure cruise. Orientation and accommodation. Afterwards we navigate the Marañon River upriver, enjoying the views on the river shore and colorful sunset until we arrive to the Pacaya Samiria National Reserve entrance. Overnight on board. Dinner.

DAY 2 (MONDAY): SAMIRIA RIVER – SAN MARTIN DE TIPISHCA – PACAYA SAMIRIA RESERVE

Early morning we go bird watching on the Samiria River. After breakfast we visit the Cocama community of San Martin de Tipishca and take part in the cultural activities of the village. In canoes we explore the lake of the same name and observe the pink and gray river dolphins. Together with the native guides of the village we go on a walk in the surrounding forest and they explain the flora and fauna as well as the use of their medicinal plants. Overnight on board. Breakfast, lunch and dinner.

DAY 3 (TUESDAY): YANAYACU PUCATE RIVER – PACAYA SAMIRIA RESERVE

On the confluence of the rivers Yanayacu and Pucate we explore today the zones 1 and 2 of the Pacaya Samiria National Reserve. We spend the day with a walk in the primary forest, accompanied with the guides, sport fishing and we visit the small village of 20 de Enero. In the late afternoon we continue with our navigation on board of the “Jungle Discovery”. Overnight on board. Breakfast, lunch and dinner.

DAY 4 (WEDNESDAY): MARAÑÓN RIVER – NAUTA CANO – UCAYALI RIVER

In the morning we visit the Nauta Sewer area with its exuberant wildlife and walk in the adjoining secondary forest with its different flora. We navigate to the confluence of the rivers Marañón and Ucayali from the Amazon River begins. After the sunset we navigate the Ucayali River up to the Belluda Cano. Overnight on board. Dinner.

DAY 5 (THURSDAY): BELLUDA CANO

Dawn and dusk are ideal times for nature observation. Rainy Season (Dec – May) Belluda Stream exploration and dry season (Jun – Nov) Hiking at Belluda Cano. You are now in Pacaya Samiria national reserve, where you will have the chance to see its amazing wildlife: parrots, macaws and monkeys, such as the monk Saki monkey with its gray and black body, naked face and long shaggy tail. You can visit and explore two different kinds of ecosystems: flooded forest and terra firme forest. El Dorado River exploration, we will head for this spectacular spot within the Pacaya-Samiria Reserve. Enjoy a unique opportunity to swim among the dolphins. We continue our journey up the Ucayali River towards the Puinahua River. Overnight on board. Breakfast, lunch and dinner.

DAY 6 (FRIDAY): PUINAHUA – BRETANA TOWN – PACAYA RIVER

Today we explore the zone 1 in the Pacaya Samiria National Reserve. On walks and navigating in small canoes, our guides explain the amazing biodiversity of the Reserve. We start to navigate towards the Tapiche River. Overnight on board. Breakfast, lunch and dinner.

DAY 7 (SATURDAY) TAPICHE RIVER

Early morning we navigate by canoe on the Tapiche River for Birdwatching and observation of the pink and gray dolphins by changes as well monkeys. After breakfast we go sport fishing in the Aleman Gorge and later on we go walk in the primary forest, where the guides explain the flora and fauna of the area. Overnight on board. Breakfast, lunch and dinner.

DAY 8 (SUNDAY): NAUTA – IQUITOS

In the morning, we visit the Yanaquillo gorge to observe the huge aquatic water lilies. After arriving in Iquitos and transfer to the airport or hotel. Breakfast and lunch.

END OF THE SERVICES
